

Mott Regent New England Football

To Mott Regent New England Football Players and Parents:

Football is almost here! This letter is regarding information about the upcoming season and the 9th Annual Michal Wehri Football Camp. With football practice starting much earlier this year, my hope is you are receiving this letter sometime after the 4th of July Weekend. For those who do not know me, my name is Nate Zachmann. I have been coaching in the Mott- Regent School District for 10 years and have been coaching in the Mott-Regent-New England Co-Op since it began in the fall of 2017. My goal each season is to help a group of young men not only become a team but become a family. Being a part of the MRNE Football Family is something my staff and I believe is one of the most important aspects of building and maintaining a positive culture. Football should be FUN! We like to focus on the 4 C's-

- 1) Commitment (Family, School, Football)
- 2) Character (Who you are when nobody is watching)
- 3) Coachability (Eyes and Ears- Everyday- Every Play)
- 4) Connection (Building relationships and trust)
